Equal opportunity/ADA institution

People of all ages participate in 4-H programs, from pre-schoolers to grandparents. The list of 4-H projects is so large that everyone is sure to find something of interest.

4-H is definitely a family affair! Youth enroll as 4-H members. Other family members help out as group leaders, project leaders, meeting helpers, transportation aides, you name it! In the process, family members learn more about each other through their involvement in 4-H. They may even become better families, appreciating each other's strengths and talents just a bit better.

WOW! Look at all the 4-H Projects I could do!!
