

4-H has lots of things that new 4-Hers would enjoy including projects, camps, clover kid and a whole lot more. If you are new to 4-H and you are having difficulties you may ask a leader or member of your club to help.

In 4-H, I do Arts and Crafts, Vet Science, Cake Decorating and Foods A. I picked these as my projects because I thought they would be exciting and fun to try. I also am a helper at the camps and I do inserts, Nearly New and Share the Fun.

4-H is really fun and there is so many different projects to choose from such as scrapbooking, bowling, golf, wildlife, dairy unit 1, 2, or 3, dogs, cats, horses, shotguns, and safety and that's not even close to all of them.

4-H can help you in your life by getting a start on learning a career you might have or helping your parents around the house or in school. Just remember 4-H, 4-You, 4-Me, 4-Fun, 4-Life.
