Project Pins: Important!!! - You must list below the name of each project(s) you wish to be considered for: (example – beef, clothing, child development): each project to be considered for a project pin must be discussed in Section D of the Recognition Form. You must have 'completed' any project for which you are applying for awards (project leader signature on Project Record).

List Projects here: _____

I have double-checked the information above, and it is correct to the best of my knowledge. I agree to be financially responsible to the Adair County 4-H Council for any award/trip accepted and not fulfilled. If I am unable to fulfill the award/trip obligation, it will be my responsibility to notify the Youth Development Specialist immediately. Notification does not necessarily alleviate financial responsibility. I have read the Adair County 4-H Council Constitution and By-laws and understand the Award/Trip Financial Responsibilities.
