Garden 'N Grow

A gardening program for
8-13 year olds

When, Where and What Time... The Kirksville Garden 'N Grow program will meet every Monday and Thursday, May 30 to August 8 from 9:00-10:30 a.m. at the Adair County Extension Center, 503 East Northtown Road, Kirksville. Due to limited space, youth who have participated two or more years are not eligible.

Cost... The fee for the program is \$30.00 per child. **Space is limited to the first 10 to sign up. The deadline to register is May 20.**

How do I sign up... A registration form can be found on the back of this flyer.

Program at a glance... Garden 'N Grow is an educational opportunity developed by University of Missouri Extension that blends positive youth development and academic learning with horticulture training and community service. The program encourages the discovery of science and nature through gardening. Gardeners plant and care for their garden plots of vegetables. They are guided by adult educators and Master Gardeners. Gardening activities promote a sense of ownership, pride and responsibility.

For more information, or if you need special accommodations because of a disability, or if you need materials in alternative format, please contact:
