The mission of the Missouri Master Gardener program is: “Helping Others Learn to Grow”.

### Grow with us

Each year the Missouri Master Gardeners recruit new members who are committed to volunteering their time. That is why an interest in community service is just as important as any gardening expertise.

Trained Master Gardener Interns are encouraged to participate in monthly Master Gardener meetings and activities. The Barry County Master Gardeners is a very active group in our local area.

2016 Master Gardener Training Program

Fun and informative classes for gardeners of all skill levels

Who are Master Gardeners?

Master Gardeners are adults of all ages who love gardening and who have previous gardening experience.

Master Gardeners are members of the local community who are interested in lawns, trees, shrubs, flowers, gardens, and the environment.
MASTER GARDENER VOLUNTEER PROGRAM

- 30 Hours approved volunteer activities in the first year
- 20 Hours each following year
- Master Gardeners are encouraged to join and take an active part in an existing Master Gardeners group.
- Be willing and able to donate time to the University of Missouri Extension education programs
- Represent the University of Missouri Extension in educational activities
- Be a benefit to your community
- Conduct youth and senior gardening activities
