

Harvest Pudding Cups

1 box (four-serving size) butterscotch instant pudding mix

4 cups milk

20 drops red food color

45 drops yellow food color

1 box (four-serving size) white chocolate or vanilla instant pudding mix

1 tub of whipped topping

Candy corn for garnish

1. Make butterscotch pudding as directed on box using two cups of the milk. Stir in 20 drops of red food color and 25 drops of yellow food color. Refrigerate for 30 minutes. Make vanilla pudding as directed on the box using the remaining two cups of milk. Stir in 20 drops of yellow food color. Refrigerate until ready to use.
2. To assemble, place about $\frac{1}{4}$ cup vanilla pudding in bottom of each clear glass. Top each with about $\frac{1}{3}$ cup butterscotch pudding and about $\frac{1}{3}$ cup whipped topping. Garnish with candy corn.
