There will be a check of registration papers and or proper certification from the breed associations. The papers need to be in the exhibitor name. Each animal can have more than one owner on the paper work, but the exhibitor must be one of them. If the exhibitor does not have proper paper work from the association, then it will be shown in the x-breed category. Animals cannot be stalled in the south barn attached to the show ring.

There will be an exhibitor meeting at 10:30 am after check-in to go over rules and tie outs. Accommodations will be made for exhibitors also showing pigs at that time.

If there are less than 3 animals per breed for a division, those animals will show in a class together.

**NO GROOMING** chutes allowed in the allies or walkways of the barns. They can be placed in extra stalls if available, or in the grass section between the show ring and the cattle barn. **NO EXCEPTIONS.**

**ALL bedding must be removed OUT OF THE BARNs** to the designated area and **NOT** left in the alley way before you leave or you will **NOT** receive your premium.

Cattle will be allowed to be tied outside Thursday at 7 p.m. and must be back in the barn by Friday at 8 a.m.
