Fair Book Dedication To Melva Meyer

Our family was very honored when we were told that the 2009 fair book would be dedicated to our mother, Melva Meyer. Melva was a 4-H leader for over 20 years, exactly how long we aren't sure. We were members of Searchers where she served as Club Leader, Assistant Leader, and led many different projects including Arts & Crafts, Foods and Sewing. She helped direct the plays the club put on at Share the Fun night which was a county event at one time. One memory of her son, Ron, was riding to Kansas City in the back of a cattle truck to perform a play. She organized community betterment projects and helped with the clubs primary fundraiser at the time, serving food at auctions.

Melva felt that 4-H was a great opportunity for any young person and recruited many members. She always made sure every member had what they needed, whether it was a ride to a meeting or materials for a project. When a member needed help sewing a dress, baking a pie, or bathing and clipping a horse, she was there to help. She encouraged members to take advantage of every opportunity and participate in everything they possibly could.

When her grandchildren became involved with 4-H, her health would no longer allow her to be as active as she would have liked, so she found other ways to be supportive. Melva & her husband allowed the horse project members use of their land for trail rides and camp-outs and came to every event they could.

Melva loved 4-H and this dedication would have meant so much to her. We thank you for this honor.

Love,
Her Family
