Pasture Recovery and Forage Selection Update

The 2018 drought and wet winter of 2019 has caused extensive damage to pastures and winter feeding areas. Travis Harper, MU Extension agronomist, and Gene Schmitz, MU Extension livestock specialist, will discuss pasture recovery and forage selection options.

When: **Wednesday, March 27, 2019 @ 6:30 p.m.**

Where: **Warsaw Ambulance District meeting room**, 1206 Medic Drive, Warsaw MO.

The meeting is free and open to all.

Register by contacting the Benton County Extension Center if you have questions.
