BUILD YOUR BOARD

Online training for nonprofit board members

Build Your Board *is a training program designed specifically for board members of non-profit organizations. Created by University of Missouri Extension community development specialists with over 50 years of combined experience in the field, the information presented is reliable and resourceful.*

Online training offers convenience and flexibility. Participants can log in at any time and can take all 16 lessons at once or can break the training up in 15-minute intervals. No meetings to attend and no travel expenses mean both time and money will be saved.

- *Each lesson includes handouts, online instruction and access to instructors.*
- *Register at:* ***extension.missouri.edu/buildyourboard***
  $80 per person

Nonprofit board members must be effective and informed. This training ensures they are.

5 modules. 16 lessons.

1. ***Board basics***
2. ***Dollars and sense***
