**Headline: Pasture Recovery Workshop**

**WARSAW, Mo.** – The last 6 to 8 months has been brutal on area pastures and winter feeding areas. Forage producers are facing partial or complete renovation of some of these areas in the upcoming months.

MU Extension is hosting a Pasture Recovery and Forage Selection Update to help answer questions about pasture repair and recovery strategies. Travis Harper, MU Extension agronomy field specialist, and Gene Schmitz, MU Extension livestock field specialist, will present the program.

The workshop will be held on Wednesday, March 27, 2019 at the Warsaw Ambulance District meeting room located at 1206 Medic Drive in Warsaw beginning at 6:30 p.m. There is no charge to attend, but please register by calling the Benton County Extension Center at (660) 438-5012. MU Extension programs are open to all.
