Bollinger County 4H Banners needed....

Cape County 4-H Council will decorate the 4-H Exhibit Hall with banners hung throughout the building representing all 4-H Clubs in counties that exhibit there. Banner size is 32 inches wide, 53 inches long; with a seam at the top of the banner large enough for a dowel rod to fit thru in case they decide to hang some banners in that manner. Please have banners done & sent to the Cape County Extension Office by June 29. Be creative & have fun with this project. List your 4-H Club name & county on the banner & add other artwork to represent your Club.
