

# HEART OF MISSOURI MASTER GARDENER NEWS

## SEPTEMBER 2004

**NEXT MEETING - September 21**  
**6:30 Extension Center**  
**FINAL WORK SESSION**  
**BEFORE CONFERENCE**  
Please come!

### THANK YOU

A big thank you to everyone who worked on the Extension Grounds at our August 21 meeting.

### STATE CONFERENCE Conference Work Dates

I know that everyone has been working hard and we are almost there. I appreciate all your work. We have the following two work dates left before the conference.

The conference **REGISTRATION COMMITTEE** will be meeting at **5:30 p.m. on September 16th** at the **Boone County Extension Center**. If any other master gardener can come, your help would be appreciated. Nametags will be laminated and conference materials will be copied.

Our next club meeting, **September 21st at 6:30 p.m.**, will be a conference work session. We will be wrapping up all plans for the conference and compiling the conference folder.

See you on the 16th and the 21st. Marie

### Saturday Night Meal

Some members have asked about attending the Saturday Night banquet only. Since after both

deadlines we have space available, we are taking registrations for the Saturday Night banquet only. Debbie Scholes will have to have the \$35 and your names by September 15th. We have to give the hotel the **final** food numbers by Sept. 15<sup>th</sup>.

Thanks. Marie Pasley

### MASTER GARDENER CALENDAR

Don't forget to submit pictures for the Master Gardener calendar. The deadline for submitting the pictures is September 15. Call Don Day for more information.

### PLANT A ROW FOR THE HUNGRY

Please remember to contact Betty Gayle Smith with any extra produce you may be harvesting right now. She'll be glad to count your produce in our grand total and let you know where you can take it. Thanks!

### ENJOY AUTUMN

We're all thankful for an exceptionally beautiful summer in Mid-Missouri. Our plants look great and we're looking forward to putting our gardens to bed for the winter and begin receiving those tempting seed and plant catalogs. Take advantage of our low-humidity warm fall days by planting cool-tolerant annuals such as pansies and mums. Begin planting spring bulbs except tulips, which should be planted in late October. This is also a great time to take cuttings of annuals to bring inside and carry through the winter. Happy Fall Gardening!

## UPCOMING MEETINGS

**Sept. 20**

Master Gardener Class starts. If you know of people who want to take it, please have them apply soon. Don Day

**October 19**
