State Council Update

What's happening with the State Council?

Our first meeting of the year was a success! We recapped 2017 Teen Conference and Congress and started preparations for this year's events, including the theme of Teen Conference and Congress (to be announced in the next issue). The regional reps also worked out county assignments, made goals for the upcoming year, and practiced their public speaking skills.

Keep an eye out for State Council members at the State Fair as we will have a strong representation this year.

We cannot wait for the amazing 4-H year ahead of us!

Promoting the Clover!

This year Missouri 4-H wants to enhance their social media by spotlighting Missouri 4-H'ers, Clubs, Counties, and Events state wide. If you are interested in being spotlighted on Missouri 4-H and Northeast 4-H social media please send an email to ashlynp1999@hotmail.com that includes your name, club, county, and a brief description of your 4-H involvement! Also, if you have 4-H pictures from a club or county event, please send them so we can show off our amazing youth as much as possible. Along with showing off our talented Missouri 4-H members we hope to gain more followers on our social media pages in order to spread the word about 4-H further and increase attendance at state events, so we would love for you to give Missouri 4-H and Northeast MO 4-H a follow on Facebook and Instagram. Lastly, our biggest goal this year is to have 400 delegates at State Congress in order to pack Jesse Hall! #packjesse is the hashtag we want to start using and promoting in hopes of filling all those seats. We hope that you will join us in promoting 4-H in all the ways that we can!
