Working Demonstrations

4-H demonstrations helps others learn how to do something useful. Demonstrating is one of the best methods of teaching others because it involves visual and verbal presentations at the same time.

Members giving working demonstrations do not prepare a talk on the topic, instead the select a skill in which they have considerable experience that they can demonstrate for 15-30 minutes.

Working demonstrations will take place on Wednesday July 18 at 6:00pm at the Boone County Fair. All 4-H members are encouraged to apply and do a working demonstration. Registration is due July 10; the registration packet can be downloaded at [http://extension.missouri.edu/boone/fair.aspx](http://extension.missouri.edu/boone/fair.aspx).
