Dear 4-H Youth Leader,

This is your invitation to apply for the 2019 Missouri 4-H Legislative Academy!

Legislative Academy is an annual trip to Jefferson City for accomplished 4-H leaders to serve as representatives and ambassadors for Missouri 4-H. As a delegate, you and a small group of 4-H teens from around Missouri meet with state executive, legislative, and judicial leaders, shadow a state legislator or executive office holder, and dine with major donors of the 4-H program.

Sound exciting? The Academy opens up opportunities for you to share your 4-H story with key leaders and gain skills for a career in government, public service, law, fundraising, lobbying, public relations, or a related field. It is also loads of fun—including a late night tour of the Missouri State Capitol Building and an ice cream outing to Central Dairy!

Dates for the 4-H Legislative Academy are Feb 18-20, 2019 (beginning on President’s Day). Joyce Taylor and I are working with the Missouri 4-H Foundation and Senator Sandy Crawford’s office to get ready for the 2019 Academy.

Teen delegates between 14-20 years old on Dec. 31 are eligible to apply, and are chosen by their demonstration of leadership and citizenship on their application. If you are a…

- 4-H teen experienced in leadership/citizenship and recommended by your local specialist, or
- State 4-H Council officer or regional representative, or
- State award winner (National 4-H Conference or National Congress), or
- 4-H Youth Futures teen leader, or
- Mizzou 4-H officer or active member... we are looking for you!

**To apply, you must be a current 4-H member for 2018-19 and complete all of your application in 4-HOnline.** With a limited number of slots available, 4-Hers can only attend this trip once. But applicants who were picked as alternates in a prior year but did not attend can apply again.

To experience Missouri State Government on the scene and from the inside, apply for 4-H Legislative Academy today! You may be surprised where it takes you!

Sincerely,

Steve Henness

You will shadow the staff of one of these offices. Meeting with the office holder may be limited depending on their schedule that day. Name one of these state officials whose office(s) you would like to shadow (Governor, Lieut. Governor, or Secretary of State) and why you are a good match for that office.

(College-age applicants: absence form does not apply).

• Part 4: Youth Applicant Narratives (fillable PDF)
  Complete the youth applicant narratives form located on the 4-H Legislative Academy website. 4-H Volunteer Impact Study – You May Be Contacted
Anne Reeder

What you do makes a difference! We are excited to share that our state will be participating in 4-H Volunteer Impact Study of volunteers in the North Central Region.

This survey is being conducted as a part of 12 state effort to document the impact of volunteering.

It will focus on three areas:

- the personal benefits of your volunteer experience;
- the impact you have on the organization by volunteering; and
- how your volunteer efforts contribute to your community in which you live and work.

A random sample of volunteers of 1000 volunteers from each state will be surveyed. This study will be conducted through an electronic survey. If you are selected you will receive an e-mail to let you know you have been selected to participate.

You may be picked! If you are, please respond. We want to hear from you and learn from your volunteer experiences.

Your comments will be used to quantify the personal, organizational and public impacts of volunteers involved with 4-H Youth Development Programs in our twelve state region.

Tomorrow’s Leaders
Club Leader
Boone County, 4 years:

I am a club leader for Tomorrow’s Leaders 4-H Club, located in central Boone County. I also am a project leader for Entrepreneurship, Arts & Crafts and Photography. I have been a volunteer for 4 years. Along with volunteering at the club level, I also serve as president of our Senior 4-H Council. Between the club and county, I spend about 10 hours a week on 4-H. I love seeing the members grow and gain confidence as they learn to work through their projects and fears. I saw needs in areas I had knowledge in, so I decided to fill those needs.
**Name that PROJECT**

Introducing a NEW EYC feature! To have a little fun and get you acquainted with the variety of projects 4-H offers, each edition will have a couple of quiz questions. See if you can answer the questions AND name the 4-H project you might learn it in! The answers will be hidden in the EYC.

**Question 1:** Doan’s Crossing was considered the last stepping off point before entering what? In what project might you learn this?

**Question 2:** What is this and what project would it be used for?

As you work high school seniors who are preparing for higher education opportunities, please inform them that guidelines, methods and dates for FAFSA (Free Application for Federal Student Aid) have changed.

The 2019–20 Free Application for Federal Student Aid (FAFSA™) form is already available. Students can now complete and submit the FAFSA application by using their phones to access the redesigned fafsa.gov or by downloading the new myStudentAid mobile app.

A mobile-ready FAFSA form means students can apply for federal student aid from virtually anywhere, using nothing more than the phone in their pocket.

To fill out the FAFSA form, students can simply

- download the myStudentAid app (iOS or Android) and fill it out from a mobile device, or
- visit fafsa.gov and fill out the form using the device of their choice, including a smartphone, tablet, or laptop.

Youth who don’t complete the FAFSA application could be missing out on valuable financial aid.

Every year, there are a number of reasons youth think they shouldn’t complete the FAFSA form; however, the reality is that EVERYONE who’s thinking about going to college or career school should fill it out.

2018 Summit story and photos

“There are two great days in a person’s life – the day we are born and the day we discover why.”
–William Barclay

The Missouri Youth Civic Leaders Summit is a statewide gathering of teens and adults who are ready to
engage with others on topics of leadership, service, and LIFE!
YCLS teams can be made up of local teens and adults from 4-H SPIN, community clubs, councils, schools,
afterschool programs, community organizations, or countywide groups.

Teams will gather with 20-30 other teen/adult groups from across Missouri and other states to network,
learn, energize, and plan for action in youth-adult partnerships!

Youth-adult partnerships are a powerful and promising way for young people and adults to develop their
leadership while engaging in thoughtful and meaningful work together.
Summit teams will be challenged to identify a project or event they want to work on in 2019 to benefit
their community and boost their readiness for the next stage of leadership and LIFE!
