## CAMP MEDICAL AGREEMENT

A nurse will be on staff at each camp. All prescription medications and over-the-counter medications are collected and given by the camp nurse and MUST be in original bottles with labels and dispensing instructions. Any child requiring injections should provide medications, syringes and written instructions signed by physicians. Please send written instructions for any over-the counter medication with the child if the treatment differs from the label.

Camp will have certain basic over-the-counter medications. The majority of children seen by the nurse require no more than basic first aid or treatment you provide for your child at home. Common problems the children have are headaches and stomach aches. Listed below are medications that will be stocked in the camp nurse's station:

- Acetaminophen (*i.e. Tylenol*)
- Decongestant
- Polysporin (*i.e. Neosporin*)
- Antihistamine (*i.e. Benadryl*)
- Antacid (*i.e. TUMS*)
- Calamine Lotion
- Ibuprofen (*i.e. Advil*)
- Hydrocortisone
- Sunscreen/Aloe Vera

If you wish to have the nurse dispense any of these medications instead of sending these from home, please complete the form below.

My child ( \_\_\_\_\_ ) has permission to take:

- All of the above marked medications       None of the above

Additionally, please list any medications that will be sent with camper:
