_____ Prepared Public Speaking

This is the noble, “traditional” category from past Missouri State 4-H Public Speaking Contests. Speeches may be on any topic of the participant’s choice that are in good taste for a group of peers and adults

_____ Extemporaneous Speaking

When you give an extemporaneous speech at a public speaking contest, it will differ from a traditional (“prepared”) public speech in that you will not plan the speech until shortly before you deliver it, topics will be drawn out of a hat the day of.

_____ Technology Assisted Speaking

Technology assisted speeches are subject to the same rules and guidelines as prepared speeches but allow for the use of presentation software (such as PowerPoint). This is another 4-H experience with excellent workforce preparation benefits.

_____ Interpretation

Interpretations are memorized performances that take place without music or other external sound effects. You can choose from three of the following sub-categories:

Dramatic: An oral interpretation of a serious selection of narrative or dramatic work. The source material may come from literature, a monologue, a theatrical production or poetry. This can be a great fit for youth in 4-H Theater Arts clubs!

Humorous: A memorized oral interpretation of a humorous selection (or a humorous interpretation of an oral selection. Source material may come from plays, prose, literature, poetry, or other performance pieces.
