

HORSE BOWL COMPETITION

Sponsored by the Missouri Horse Shows Association
Boone County MU Extension, &
Stephens College Equestrian Studies Department

EVENT INFORMATION

MHSA, Boone County Extension & Stephens College Equestrian Studies Department are pleased to offer the opportunity to participate in a Horse Bowl Competition on **January 27, 2018** on the Stephens College campus, to all youth ages 18 & under. Although membership in MHSA, 4-H, FFA and Pony Club is encouraged, any youth is eligible to compete.

Teams, comprised of four individuals, will compete for scholarships and other prizes. Honors will be awarded that evening at the MHSA Awards Gala, also held on the Stephens College campus.

REGISTRATIONS DUE BY JANUARY 12, 2018.

Divisions: Junior (9 years & under); Intermediate (10-13); Senior (14-18).

Teams: Participants are encouraged to form teams (four members) and practice before coming to the competition, to maximize the chances of performing well in the competition. Individuals may also submit applications and coordinators will attempt to create teams based on those individual applications. If insufficient individual applications are received to form teams, the management will contact individual applicants as soon as practicable before the competition date.

Cost: There is no cost to participate in the Horse Bowl. However, members of the winning teams are strongly encouraged to attend the Awards Gala so that the awards presentations can be made. *Youth (12 & under) tickets are \$35. Adults (13 & over) are \$45.*

Prizes: The high scoring individual in the Senior Division will be awarded a \$1000 scholarship for any post-secondary educational opportunity by the members of the Boone County Commission. Stephens College, Moberly Area Community College, and the University of Missouri's College of Agriculture, Food and Natural Resources (CAFNR) have committed an additional \$1000 scholarship to that individual if he or she attends that institution. CAFNR will also award \$1000 scholarships to all members of the winning Intermediate and Senior Division teams. Additional prizes will be awarded to the members of the Junior Division team.

Information the Competition will cover: The Extension Service has compiled an exhaustive list of questions and answers, drawn from primary sources, which are used in 4-H Horse Bowl competitions across the United States. Those questions and answers can be accessed at Boone County Extension 4-H Website; <http://extension.missouri.edu/boone/forms.aspx>

Judges' decisions: The judges' decisions are final and not subject to dispute or challenge. By signing the application and participating in the competition, the participants and their parents and coaches agree to be bound by the judges' decisions.
