Buchanan County 4-H
Jack West Award

Jack West was a 4-H Youth Specialist with the University of Missouri Extension for 40 plus years! Jack was one of those men who truly believed in youth and would always have time to visit and give advice. His co-workers stated Jack always had kids hanging on him wanting to play. This ability plus his professional knowledge of 4-H and youth development gave Jack the tools needed to really make a difference in the lives of thousands of youth throughout Northwest Missouri and Buchanan County. This award will be given to a Buchanan County 4-H youth each year who displays character, positive attitude, hard work ethic and good leadership skills. This 4-H member must be active in the County 4-H program and demonstrate maximum effort toward completing his/her projects and 4-H activities. The nominee can be any 4-H age.

As a Buchanan County 4-H Community Leader, I nominate _____________________
Representing the _______________________________ 4-H Club for the Jack West Award for 20 ___.
