Advanced Beekeeping

The Butler County Extension Center is offering a short course for advanced beekeepers. If you currently raise bees please consider attending:

Thursday, April 7, 2016
8:00 a.m. to 4:00 p.m.

NRCS Office
18450 Ridgeview Lane
Dexter, MO 63841

Expect the following from this course:

- Maximizing honey production
- Knowledge of honey bee pests and utilizing IPM methods for controlling these pests.
- Queen Rearing
- Hands-On work with queens

Fee of $55.00 includes lunch and materials. Class is limited to the first 30 individuals.
