Volunteer Orientation

All 4-H Volunteers are strongly encouraged to attend an “In Person” Volunteer Orientation. Sometimes it is difficult for some people to attend the face to face sessions and some do not have internet access, to assure the availability of the information to all —the print version will be printed in sections in the 4-H Newsletter beginning with the first section in November and completing with the April Issue. The feed back form will be sent in the May issue and if completed and returned will allow Volunteers to complete the orientation by June1 deadline for new Volunteers.

It is suggested the Volunteer Orientation Materials be added to your 4-H Family Handbook for future reference.
