4-H works best with family involvement. So how can you help????

1) Volunteer to be a project leader or helper!

2) See how your club leader needs help-maybe you know a special speaker, you can help with snacks, organize a fun meeting, or just be support for new families.

3) Help at the county level with a committee, areas needing help are: organizing and helping at the Callaway Youth Expo food booth, coming to 4-H senior council meetings and helping make decisions, helping at Events Day at the Callaway Youth Expo, being a liaison between 4-H and the Callaway Youth Expo, being an extra hand at United Way events, being on the fundraiser committee, or being on the SPIN club/Expansion Committee.

Please let Sarah know how you can help. Many hands make light work!
