

You are invited to join

The New Camden County 4-H Aerospace Club

Parent Information Meeting: Tuesday, October 27th, 7:00 p.m.

Mid-County Fire Station– Meeting Room 2nd Floor, Camdenton

Projects can include:

- GPS-Geocaching
- Rocketry
- Robotics
- Flight Sim
- Aerospace Camp
- And more!

Must be age 8-18 by January 1, 2010.

For more than a century, 4-H has engaged our country's youth in the building blocks of economic success. This has meant a solid focus on agricultural science, electricity, mechanics, entrepreneurship, and natural sciences. Today, 4-H out-of-school opportunities also exist in subjects like rocketry, robotics, bio-fuels, renewable energy, and computer science. 4-H Science, Engineering and Technology programs reach more than 5 million youth with hands-on learning experiences to encourage young minds and to fill the pipeline of young leaders proficient in science. These experiences are supported by more than a half million dedicated adult volunteers who are placing 4-H youth on a path towards successful careers. Come and find out more!
