Members do not give a formal talk while they work, but respond to questions from fair-goers. Members should bring enough material so they can work for about one-half hour. Carroll County 4-H Public Speaking Contest

Sunday, July 10th, 2011

Carrollton Public Library Basement 2:00 p.m.

Preregistration required by June 30th

1. Any 4-H member may enroll in the Public Speaking Contest. They do not have to be enrolled in the Public Speaking Project.
2. Awards will be blue, red or white according to merit.
3. Premiums will be paid 18-12-6.
4. The age divisions and time limitations shall be:

Juniors (ages 8-10), Intermediates (ages 11-13) and Seniors (ages 14-18) contestants compete in one of the following categories:

Prepared Speech

This is the noble, existing, "traditional" category from past Missouri State 4-H Public Speaking Contests. Speeches should be 3-5 minutes long for Juniors, 4-6 minutes for Intermediates and 5-7 minutes for Seniors. Speeches may be on any topic of the participant's choice that are in good taste for a group of peers and adults. Note cards may be used.

Extemporaneous Speech

The speaker will draw three topics and select one that they will speak on. Each speaker will have 15 minutes to prepare their speech after the selection is made. Topics will be subjects that youth are familiar with, so no special research materials are required.

Timing: Speeches are to be 3-5 minutes in length for Juniors, 4-6 minutes for Intermediates and 5-7 minutes for Seniors.

Public Service Announcement (PSA)

Youth will introduce themselves and their PSA to the group, play the PSA, and answer questions from the audience. PSA's must be 60 seconds in length or shorter, created entirely by the contestant, and use the voice of the contestant. This can be a less threatening entry into the world of public speaking for youth who are anxious about speaking in front of groups.

Interpretation

Interpretations are to be memorized and take place without music or other external sound effects. Special makeup and clothing may be worn as the contestant deems appropriate to the content of the interpretation. Interpretation consists of three sub-categories:

- **Dramatic:** An oral interpretation of a serious selection of narrative or dramatic work. The source material may come from literature, a monologue, a theatrical production or poetry. This can be a great fit for youth in 4-H Theatre Arts clubs!
- **Pantomime:** A physical and emotional interpretation. Source material may be original or inspired from other performers work. This is a natural fit for any youth in 4-H Clowning clubs! A helpful support material for this category is "Making the Point" Communicating through Pantomime.
- **Humorous:** A memorized oral interpretation of a humorous selection (or a humorous interpretation of an oral selection. Source material may come from plays, prose, literature, poetry, or other performance pieces.

Technology Assisted

Technology assisted speeches are subject to the same rules and guidelines as prepared speeches, but allow for the use of presentation software (such as PowerPoint). This is another 4-H experience with excellent workforce preparation benefits.

A helpful support material for this category is "Making the Point" communicating with PowerPoint.

3. Each exhibitor will be responsible for transportation and tagging of his/her own exhibits.

Contact the State 4-H office prior to check in for approval of large over-sized exhibits (transportation will be provided by the exhibitor). Submitting a photo of these items is encouraged (clearly marked so they are not confused with Photography Exhibits). A member may send only TWO stationary items to the State Fair.
5. Entries by any one member are limited to three items per project. They may all be entered in one class, but they MUST be different items.
6. The judges may select blue ribbon exhibits from each class eligible for the State Fair Exhibit. The exhibit must be State Fair quality. A member is limited to two exhibits in the 4-H Building and one demonstration in the 4-H building at the State Fair.
7. Articles made on school time and/or projects under the supervision of a teacher and receiving school credit do not qualify as 4-H project work and are not eligible for the Fair.

If selected to go to the State Fair they will be displayed in the "Library", a special exhibits area which allows fair-goers to touch and examine the items. **Youth who exhibit notebooks, posters or file card systems should understand that their exhibits will be used and touched at the State Fair.**
10. Where the exhibit list states: "Any item made", the 4-H member may display any item made in the project. This includes notebooks, file cards, photo displays, posters or educational displays. Regardless of project, the following dimensions must be used:

POSTER: No larger than 14" x 22", flat only, do not fasten 3 dimensional items to the poster.
