

## GENERAL RULES & REGULATIONS INTERPRETATIONS, AMENDMENTS AND VIOLATIONS

1. The Cass County Junior Livestock Show management reserves the final and absolute right to interpret these rules and regulations, settle and determine all matters, questions and differences in regard thereto, otherwise arising out of, connected with or incident to the fair.
2. The management reserves the right to amend or add to these rules, with previous notice, as it, in its judgment, may deem advisable.
3. Any person who violates any of the foregoing or special rules will forfeit all privileges and premiums.

**ANIMAL HEALTH REQUIREMENTS FOR EXHIBITION**  
(The following is a SUMMARY, and not a reprint of 2CSR 30-2.040 Animal Health Requirements for Exhibition regulations. Contact the Missouri State Veterinarian's Office at 573-751-4359 for clarification on the following.)

### 1. CERTIFICATE OF VETERINARY INSPECTION/General Requirements.

A. All animals must have a certificate of veterinary inspection unless specifically exempted. The certificate of veterinary inspection must show required tests, vaccinations, etc., and individual identification and description of animals. Certificate of veterinary inspection are valid for thirty (30) days. Some species require an entry permit; please check under the specific requirements by species for details.

B. Animals with ringworm lesions or easily visible warts will not exhibit and will have to be removed from community holding areas and stalls since these are contagious conditions.

C. Sales scheduled in association with exhibitions must employ a veterinarian to examine animals and process certificate of veterinary inspection for change of ownership. The following requirements are for animals EXHIBITED in Missouri. Animals sold in addition to being exhibited must meet the entry requirements of Missouri or any other state of destination.

### 2. EXHIBITION REQUIREMENTS FOR CATTLE IN MISSOURI:

A. INTRASTATE (cattle in Missouri moving for exhibition only in Missouri.) **No certificate of veterinary inspection is required.**
