Dear Clover Kids,

I am excited to let you know that there is a special 4-H camp this year just for you. There will be crafts, games, songs and lots of fun. You will meet new friends, learn about the great outdoors and sleep over night at Camp Smokey in Roaring River State Park.

Sounds great doesn't it! Well here's the scoop. There will be two camps this year. Camp 1 is from 4:30 PM June 19 until 3:00 PM on June 20. Camp 2 is from 4:30 PM June 20 until 3:00 PM June 21. You have to bring a parent, bedding, bath items, sun protection, swimsuit, bug spray, and your favorite stuffed animal. We will provide the food and fun.

All you have to do is have your Dad, Mom or Guardian fill out the registration, adult and youth event form for each person attending and a check payable to your County 4-H Council and send it to the extension office by May 15, 2009. Don't forget to mark on your form which camp you want to attend. The space is limited so rush all that stuff to us.

Looking forward to seeing you at the SW Regional 4-H Clover Kids Camp!
