Chariton County Youth Fair

Livestock Judging

State Livestock Judging Contest will be held on September 7, 2019. Registration will run from July 1 to August 15 in 4HOnline. See the website for more details http://4h.missouri.edu/judging/judging-contest

Fair Donation

There are still a few donations that need to be collected. Be sure to ask businesses and turn in the money.

Fun Night RSVP

Please RSVP by July 5th to fesslerje@missouri.edu to let us know if you will or will not attend the Dinner and Pool Party, in order to plan. Also meal and prize suggestions are welcome.

State Fair Entries

Be sure to check out the State Fair Website at www.mostatefair.com under competitions then premium guide for information if you plan to show at the state fair. Be sure to get your entries in. This year it will all be online enrolling.

Chariton County Youth Fair

Exhibit judging day is a few weeks away. Projects should be wrapping up.

Exhibit Judging at the County Fair –

- Be sure to check out the rules in the county fair book starting on page 14.
- A member can exhibit three items in each project.
- Reminder that shooting sports and livestock members can also bring notebooks, posters, file card system or display – but are not limited to those items.
- Clover Kids are encouraged to participate in exhibit judging at the county fair. They may bring 3 items that they have made.
- If you have any questions please contact the office at (660) 288-3239.

**Monthly MOVEMENT Activity**

Youth, families, clubs, afterschool groups and others can have fun while being physically active.

### Bounce the Ball Materials:
- 2 or 3 wiffle or ping pong balls
- 1 bed sheet

You will need at least four people for this game. Each person holds a corner and side of the sheet – stretched taut. Place a wiffle ball on the sheet. Participants will shake the sheet causing the balls to bounce in the air. The object of the game is to keep the balls bouncing in the air and keep them from bouncing off the sheet onto the floor.

**Clover Kids Corner**

**Cricket Thermometer**

Cricket thermometers are sensitive to changes in air temperature and chirp at faster rates as the temperature rises. It is possible to use the chirps of cricket to gauge temperature. Here’s How:

1. Catch or buy a cricket and put it in a jar.
2. Count the number of times the cricket chirps in 15 seconds.
3. Add 40 to this number.
4. The number you get should be the air temperature in degrees Fahrenheit.
