Golden Shovel
This year there will be a new award in the livestock barns at the fair called the Golden Shovel. The Golden Shovel is a traveling awards that is judged randomly throughout the fair by an anonymous committee to inspire youth exhibitors to: keep the barns clean, contribute to attractive stalling and display areas, provide the public with accurate information, and demonstrate outstanding helpfulness. Keep your eye open for the Golden Shovel and watch it move through the barns during the fair as a sign of who among our exhibitors are serving as good examples!

Art Hall Entry and Judging
Interview Judging is the opportunity to visit with a judge at the fair and share with them what you have learned from the project you are exhibiting. After talking with the judges, together you will select a ribbon that reflects your efforts. Ribbon selection is based half on the interview and half on the quality of the exhibit. Clover kid projects are judged at Art Hall judging unless they are small animal entries. Members are to bring their art hall entries to the commercial building at the fairgrounds at the scheduled time and check your entries at the registration table.

State Fair to Accept Online Competition Entries and Payment
Exhibitors interested in competing at the Missouri State Fair will now be able to access new online entry and payment options, and online registration for the vendor input form. The new online entry system started on May 7. Missouri State Fair Director, Mark Wolfe, said that the new ShoWorks exhibitor and entries management software program will allow exhibitors to register and submit their entries along with their payment by using an easy online portal available at mostatefair.com. Also new in 2015, a livestock entry will no longer be required at the time of submission of a camping reservation form. Livestock camping forms were available on May 1. Reserved campsites open Sunday, Aug. 9, and are only available for livestock exhibitors, commercial vendors and persons with disabilities. Camping rules have been updated and are available on the Fair’s website. Exhibitors under age 13 will be admitted free to the 11-day Fair again this year, while exhibitors age 13 and over will be able to purchase up to 40 single-day exhibitor admission tickets at a special price of $5. The discounted exhibitor tickets are available to order from the Fair business office at the time of competition entry through Aug. 12. These tickets will not be available at the gate, and they do not include exhibitor parking.

The 113th annual Missouri State Fair, themed “Show Offs Welcome” will be held Aug. 13-23 in Sedalia. More than 30,000 entries are expected for this year’s annual agriculture showcase. For more information about the year’s fair, visit www.mostatefair.com, follow the Missouri State Fair on Facebook and Twitter or call 1-800-422-FAIR (3247).
