

**Focus on Kids  
Participant Survey**

**Form A**

Thank you for your participation in "Focus on Kids". We want to make this program as useful to parents as possible. As part of this effort, we would like to have the option of contacting parents in future months who have been in this program. If you would be willing to participate in a follow-up about this program or other related research, or would like to receive more information, please check all that apply:

I would like to receive additional parenting information and/or programs on the following topics: \_\_\_\_\_

I would like to receive a free electronic newsletter (every 2-3 months for one year) that provides helpful information on separation/divorce issues, co-parenting, children, etc.

You may contact me at a later date to participate in a follow-up survey on the "Focus on Kids" program.

You may contact me for related research projects.
