

## REQUEST FOR PROPOSALS

The Educational Resource and Innovation Center Project (ERIC) committee is soliciting proposals for securing potential property/sites on which the facility may be located. A 40-acre parcel m/l located adjacent to Interstate 70 and near the City of Boonville is preferred. Specific details regarding the activities associated with the Educational Resource and Innovation Center can be obtained from the University of Missouri Extension Office located at 608 East Spring Street, Boonville MO 65233. The contact person for the proposal process is Todd Lorenz, University of Missouri Extension Regional Horticulture/Agronomy Specialist at 660-882-5661 [lorenzt@missouri.edu](mailto:lorenzt@missouri.edu) . Proposals will be accepted at the Extension office until noon on 3 September 2008. Only written proposals will be considered. Proposals should be limited to no more than two pages including the following information:

- Location of the property (site map required),
- Conditions for securing the property, and
- Rationale for the suitability of the property for the ERIC Project.

The sealed proposal process will be reviewed by the ERIC Project Steering Committee during the week of 2 September 2008. Submission authors will be notified of the Committee's decision no later than 12 September 2008.
