

Registration Information

The cost of the two-day Management Intensive Grazing School is \$85.00 per person or \$125.00 per farm couple. This fee includes the cost of the Resource Books and other handout materials pertinent to the course and also includes two meals.

A \$50.00 advance deposit will be required to reserve a space. This must be received no later than Oct. 1, 2009. We need at least 20 people to hold this Management Intensive Grazing Course. In the case that we do not have 20 registered participants, you will be notified and refunded your money so that you might attend this course at another time and location. The fee for persons who are attending the course for the second time and already have the materials will be \$50.00 per individual.

Please fill out the reverse side of this form and return it with your deposit to the indicated address.

Make checks payable to:

Dent County Extension Council
