Spring Beef & Forage Meeting
March 26, 2015 - 7:00 PM
Bank of Salem Courtesy Room
100 W. 4th Street - Salem, MO

**Topics & Speakers:**

1. **Nitrogen Sources for Fertilization**
   - Will McClain, MU Extension Agronomy Specialist, will address the various alternatives to ammonium nitrate as it is no longer available for producers to use. Producers will learn about the various nitrogen products and their proper use to minimize N loss through volatilization and leeching.

2. **Developing Quality Replacement Heifers**
   - Ted Cunningham, MU Extension Livestock Specialist, will provide information about best management practices for developing beef replacement heifers.

There is a $5/person charge for this program (payable at the door), and space is limited. Please RSVP by March 24th by calling the Dent County MU Extension Office at 573-729-3196.

For more information, please contact Ted Cunningham, MU Extension Livestock Specialist at 573-729-3196 or cunninghamtc@missouri.edu
