

Douglas County Extension Council

The county extension council, comprised of elected and appointed citizens, is a full partner with Missouri's land-grant universities to deliver high-quality education and research-based information that helps people solve real-world problems and take advantage of opportunities.

Council members:

- Work with extension specialists to provide the county educational program
- Manage finances of local extension operations
- Provide personnel to carry out extension activities
- Elect and organize the local extension council.

Mission

The mission of University of Missouri Douglas County Extension is to improve the lives of Douglas County Citizens by addressing their highest priorities through the application of research-based knowledge and resources
