SEMO FAIR

The SEMO District Fair will be here before you know it!
Materials/Supplies

- Circle punch
- Printed material from trips
- Plastic wrap
- Mod Podge
- Paint brush
- Paint
- Cereal bowl
- Waxed paper

Directions

1. Use a 1-inch circle punch to create 45 to 65 paper circles from colored paper and printed material from your trip -- maps, brochures, tickets, photos, etc.
2. Wrap the outside of a cereal bowl in plastic wrap. Place the bowl upside down on waxed paper.
3. Brush Mod Podge onto a section of the wrapped bowl near the rim. Add a circle, then brush the top of the circle with more Mod Podge.
4. Continue adding circles, overlapping them slightly to prevent gaps and let the bowl dry completely.
5. Remove the paper bowl from the original bowl and gently peel off the plastic. Paint the inside of the bowl with paint.
