Is Your Child A Drama Queen? A Comedian in Training? A Performer in Need of An Audience?

Drama Workshop for Adopted and Foster Children

Tuesday evenings, 6:30-8:00 pm
March 1—April 12, 2011

CHS, with the help of Metro Theater Company, is offering a special seven-week drama workshop for children ages 11-15.

Led by CHS staff and Metro's Teaching Artists, participants in this unique drama experience will explore activities that focus on collaboration, inclusion and building non-verbal communication skills. Through improvisation techniques, students will talk about issues of concern, and help each other strategize solutions to challenges faced by the group.

A fun environment —no experience necessary!

FREE to families thanks to the generous support of the Department of Economic Development Youth Opportunities Program
