

Safeguard Your Savings

- ◆ Thinking about investing your money?
- ◆ Not sure where to start?
- ◆ Afraid of making a mistake?

Educate yourself - sign up for the FREE Safeguard Your Savings workshop.

Educating yourself is the first step in protecting your investments. *Safeguard Your Savings* covers the basics of saving and investing for people of all ages – getting started, financial markets, making an investment plan, and how to avoid investment fraud.

Safeguard Your Savings is sponsored by the **Missouri Secretary of State, University of Missouri Extension, and the Investor Protection Trust**, a nonprofit organization that provides objective information to help consumers make informed investment decisions. The workshop is taught by University of Missouri Extension financial education specialists.
