

2006 MEMORIAL SERVICE

Alpha Tau Chapter of Epsilon Sigma Phi National Extension Fraternity is celebrating its 75th year of service to the profession and its membership. This distinguished achievement and the theme of the 2006 Galaxy Conference, UNITED FOR A STRONGER MISSOURI, bring to mind appropriate remarks as we honor departed colleagues. Some of them were active participants in the growth of the organization and its dedication not only to members but also to those in supportive roles truly leading our states residents to goals many times thought to be unattainable.

As this year's names are read, you may recall

Being a part of a team with one or more of them

Sharing talents and knowledge to develop interdisciplinary solutions to seemingly overwhelming situations

Receiving support from one or more of them that led to unbelievable levels of performance, service and compassion

Join now in uniting in remembrance of the following colleagues:

**Frank Capek
Norris Tummons
Ethel Wyatt
