

MU Extension County Council Member Exit Survey updated 3-28-2018

You are receiving this questionnaire because your two-year term as an Extension County Council member is either coming to a close or has recently ended. We would like to thank you for your time and service. We hope your experience has been a positive one, and that you are considering other ways you can still engage with the University of Missouri Extension.

In talking with many previous council members, we know that in the past two years you have been exposed to many aspects of MU Extension and have gained tremendous knowledge and experience. We want to ensure that you, and that knowledge and experience you have gained, are not lost to us. One council member recently stated, "My term will be up come first of March...I've just now come to the point that I really feel I could be of real value."

In an effort to find ways to continue to use the experience and skills you have gained, as well as determine your level of continuing interest and availability to work with MU Extension, we ask you to fill out the following survey. Since part of the purpose for gathering this information is to share your level of continued interest with your county staff and council, we ask that you include your name and contact information. If you include this information, we will assume we may share it with the current County Council leadership.

NOTE: Please be sure to download and save this PDF document to your files before filling it out. Be sure to save your answers before printing.
