Family Nutrition Education Programs (FNEP)  
Agency Participation Consent Form

Name of Organization: __________________________________________

The University of Missouri Family Nutrition Program (FNP) provides nutrition education programming that meets your clients’ needs. Lessons with hands-on activities are designed for youth and the adults that support them, pregnant teens, and immigrant populations.

Do you give your consent for your agency to participate in FNP programming?

Yes ☐ No ☐

We certify that we understand that our agency participation is voluntary and the participation of our students/clients is also voluntary.
