# Basic First Aid Training

## Be Prepared

**As a human service professional, you work with the public every day.  
You are invited to attend this FREE training on the basics of first aid and CPR.**

What do you do if someone . . .  
faints,  
has possibly broken a bone,  
is choking,  
is not breathing,  
is bleeding or burned?

- Get hands-on training
- Refresh your skills
