FOODS AND NUTRITION

- Food must be of reasonable quality to keep more than one week. Do not send food items that will spoil quickly such as casseroles, pizza, cream pies, items made with cream cheese, etc.
- Submit food items on paper or disposable plates. Plastic wrap will be removed so drying of the food will extend display life of the product. Food items will be removed from plates and displayed as part of a bakery display. Individual tags will be displayed separately at the MSF. Please do not send expensive or keepsake containers!
- No recipes are needed for OEF or MSF.
- Perishable food items do not need a second identification label. All tags will be displayed separately.
- Biscuits, cookies, muffins and other small items should be four per plate. Cakes should be displayed in mini versions (portions of 1/4 to 1/3 of the larger total product.) A representative sample of each will be displayed.
- Decorated cakes will be displayed in the Cake Decorating project.
- Food items, excluding cakes will be shown as an overall group display at the MSF (each exhibit will not be displayed individually.)

FOOD PRESERVATION: *Examples include canned, dried or pickled foods (no cured hams), gift package of preserved foods, education displays, etc.*

For safety reasons all Food Preservation items must follow these rules:

- Canned goods/preserved items must follow University of Missouri-Columbia guidelines for processing.
- Each item must be accompanied by an index card or label that outlines the procedures and recipes used in processing, and the date of processing.
- Any sign of spoilage or alteration from standard processing guidelines will be the basis for disqualification of the item. Information on standard procedures is available from County University Extension Centers.
- No food should be sampled by judges at local judging.
