Working Demonstrations
Pre-registration is requested by April 6, 2015

Members giving working demonstrations do not prepare a talk on the topic. Instead, they select a skill in which they have considerable experience — one that they can demonstrate for 15 to 30 minutes. They sit at an assigned table and work, more or less continuously. When an audience member makes an inquiry, the demonstrator describes what they are doing and continues the conversation as long as the person has an interest. When the onlooker leaves, the demonstrator continues working until another person makes an inquiry. This type of demonstration is good for fairs, displays, in shopping centers or at special events.

1. Working demonstrators should bring enough materials to work for approx. 30 minutes. They do not talk continually but must be able to engage the audience in conversation and answer questions during the demonstration.
Horse Public Speaking  
**Juniors (ages 8-13) and Seniors (ages 14-18)**
Subject must pertain to the horse industry. Speeches, not appropriately related to the horse industry, can be disqualified at the discretion of the judge(s). No visual aids may be used. Contestants may use notes. However, excessive use of notes may be counted against the contestant. This will be at the discretion of the judge(s). During the event, the contestants may introduce themselves by name, county, and speech topic. Senior speeches should be 7-10 minutes in length. Three points will be deducted from the total score on each judge's score sheet for every minute (or fraction of a minute) under 7 minutes or over 10 minutes. No points will be deducted from Jr. speeches for time. Contestants should cite their major references after the conclusion of their speech. This time will not be counted in the allotted time.
For more information see: [http://4h.missouri.edu/events/horse/#speaking](http://4h.missouri.edu/events/horse/#speaking)

Prepared Speaking
**Juniors (ages 8-10) , Intermediate (ages 11-13) and Seniors (ages 14-18)**
This is the noble, existing, “traditional” category from past Missouri State 4-H Public Speaking Contests. As in the past, speeches may be on any topic of the participant’s choice that is in good taste for a group of peers and adults. Speeches should be 3-5 minutes long for Juniors and 5-7 minutes long for Seniors. Note cards may be used.
For more information see: [http://4h.missouri.edu/go/events/publicspeaking/category-prepared.htm](http://4h.missouri.edu/go/events/publicspeaking/category-prepared.htm)

Extemporaneous Speaking
**Juniors (ages 8-10) , Intermediate (ages 11-13) and Seniors (ages 14-18)**
Speakers will draw three topics, have up to 30 minutes to prepare, and select one to speak on.
For more information see: [http://4h.missouri.edu/go/events/publicspeaking/category-extemp.htm](http://4h.missouri.edu/go/events/publicspeaking/category-extemp.htm)

Technology Assisted
**Juniors (ages 8-10) , Intermediate (ages 11-13) and Seniors (ages 14-18)**
Technology assisted speeches are subject to the same rules and guidelines as prepared speeches, but allow for the use of presentation software (such as PowerPoint). This is another 4-H experience with excellent workforce preparation benefits.
For more information see: [http://4h.missouri.edu/go/events/publicspeaking/category-tech-asst.htm](http://4h.missouri.edu/go/events/publicspeaking/category-tech-asst.htm)

Interpretation
**Juniors (ages 8-10) , Intermediate (ages 11-13) and Seniors (ages 14-18)**
Interpretations are to be memorized and take place without music or other external sound effects. Special makeup and clothing may be worn as the contestant deems appropriate to the content of the interpretation. Interpretation consists of three sub-categories:

- **Dramatic**: An oral interpretation of a serious selection of narrative or dramatic work. The source material may come from literature, a monologue, a theatrical production or poetry. This can be a great fit for youth in 4-H Theatre Arts clubs!
  For more information see: [http://4h.missouri.edu/go/events/publicspeaking/category-interpretation.htm](http://4h.missouri.edu/go/events/publicspeaking/category-interpretation.htm)
