*** All showmanship awards will be given out during Recognition Night 2015 ***

All Livestock Showmanship classes are for Greene County 4-H exhibitors only.

After a 4-H member wins in their age division, the following year they must compete in the next age division. **Once they have won the “overall” showmanship honor they then become ineligible to participate in showmanship at future Greene County 4-H Fairs.**

**Dairy & Sheep:** Showmanship Awards are not judged in age groups, one overall award is given in each division.

Shaffer Angus Farm Beef Traveling Trophy
Award is given to the club accumulating the most points at the Greene County 4-H Fair in the areas of beef exhibits, live animal demonstrations and livestock judging. Scores will only be counted for those members who participate in all three areas.

Grievance Procedure
Should a problem arise during the 4-H Fair, the problem should first be taken to the Chairperson or Superintendent in charge of that particular area. However, if the question or problem cannot be settled, the problem should then be brought to the attention of the 4-H Fair Committee. The 4-H Fair Committee will use their best judgment in resolving the issue which may include, but not be limited to, the following options:

- Discussion with involved parties and Superintendent in charge to determine a resolution
- Appoint an Ad Hoc Committee during the 4-H Fair consisting of other area Superintendents to determine a resolution
- Appoint an Ad Hoc Committee consisting of other area Superintendents to determine a resolution after the end of the 4-H Fair
- Present the issue at the next scheduled Leader’s Council meeting to determine a resolution.

2015 – Missouri Show Me Quality Assurance Policy

All 4-H members enrolled in food animal projects (including beef, sheep, swine, dairy cattle, meat and dairy goats, rabbits, and poultry) must complete the appropriate level of Missouri Show Me Quality Assurance (MSMQA) certification to be considered a 4-H Member in good standing in that project. Other county good standing guidelines may also apply. Check with your local 4-H Youth Specialist for current local guidelines. Food animal project members showing at the Missouri State Fair should be prepared to present their MSMQA card at check-in.

Greene County 4-H Fair Food Animal Project Exhibitors MUST include a copy of their MSMQA certification card with 4-H Fair Livestock Entry Form. Additionally, Exhibitors SHOULD be prepared to present their MSMQA card at check-in if requested by the Superintendent.

Definition of Missouri Show Me Quality certification status terms:

Because of the complexity of the MSMQA information, youth age 8 – 13 need to have repeated exposure to the material. Using a quality assurance “injection” analogy, youth age 8 – 13 need two vaccines and a booster. This means they (youth 8 – 13) will need to take MSMQA two (2) consecutive times (vaccines) then one more time when they turn 14 (booster).

Youth 14 and over only need to attend the training or pass the tutorial one time. See MSMQA Certified below.

(Ages are determined by January 1 of the program year)

“MSMQA Qualified to Show” means the 4-H member (age 8 – 13) has participated in Missouri Show Me Quality Assurance in either the face to face training or tutorial by June 1 of the 4-H program year. (To continue with the analogy from above, this is the first “vaccine”).
“MSMQA Conditionally Certified” this is the second “vaccine” for youth age 8 to 13. Conditionally certified means the member has participated in two consecutive years of MSMQA training or tutorial. Once they obtain a conditional status they do not have to take a “booster” course until they are 14 (age by January 1). Upon completion of the “booster” course they would be MSMQA Certified for the remainder of their youth exhibition career in 4-H.

“MSMQA Certified” “Certified” applies to youth in 4-H who have turned 14 by January 1. Upon completion of MSMQA in either a face to face or tutorial no further training will be required for the remainder of their youth exhibition career.
