Support Greene County Extension Council on May 3

Greene County Extension Council is participating in the Give Ozarks 24-hour online day of giving on May 3.

- Online giving will take place midnight to midnight on May 3. Here is the Greene County Extension link: https://giveozarks.org/2016/greene-county-extension-council.
- Thanks to generous donors, every donation given, up to a total of $5,000, will be matched dollar-for-dollar. For example, your $100 donation will actually become $200 when you donate online!
- Donations can be given at the Greene County Extension office by check prior to April 28, or on the day of the event, in accordance with the guidelines. Please make checks to: Community Foundation of the Ozarks.
- There is a $5 minimum gift this year (as opposed to $1 last year).
- Prize descriptions and schedule can be found on our website: http://extension.missouri.edu/greene.
- The more unique gifts received each hour, the more likely Greene County Extension is to win prizes.
- Add a twibbon to your Facebook profile or Twitter profile at http://cfozarks.org/giveozarks/toolkit/.
- Share posts from Greene County Extension Council Facebook page to your own Facebook page.
- Email friends and family about giving during Give Ozarks and send them this link for more information: https://giveozarks.org/2016/greene-county-extension-council.
- Remember, every gift counts.

Making a secure donation with a credit card is simple and donations are tax deductible.

Since 1914, Greene County residents have sought help from Extension in areas related to agriculture, gardening, 4-H youth, nutrition, families, business and community development. To learn more about Greene County Extension, visit http://extension.missouri.edu/greene, engage with the Greene County Extension Council on Facebook or call the Greene County Extension Center at (417) 881-8909.
