

Herb Group

Formed 2008

Fostering an Interest in Herbs

ABOUT US

We are an informal group of local residents exploring the many aspects of herbs.

We are eager to have other herb enthusiasts become a part of our group! Interest in learning about herbs and a willingness to share your knowledge are the two requirements for attending and participating with us.

In 2009, we are emphasizing culinary herbs in our meetings, garden, and programs.

ACTIVITIES

Monthly Meetings

Fourth Monday
February-October

Herb Garden

at
Settler's Village Wheatland
