

Clearinghouse for Drug and Alcohol Information

The Clearinghouse for Drug and Alcohol Information is currently out of the cd's, but the presentation is available for download at the following address:

<http://www.fascenter.samhsa.gov/>

From the menu on the left side of the page, point to "Grab and Go"

Click on "FASD - The Basics"

The presentation is available in three formats. I recommend you download all three. I have still not found out if it is "Public Domain" for certain. You may need to inquire at www.samhsa.gov.
