Workshop on Music as A Teaching Tool

(BLUE SPRINGS, MO, July 23, 2012) University of Missouri Extension will offer a workshop on “**Music as A Teaching Tool**” from 6:15 – 8:15pm. on September 20, 2012 at the University of Missouri Extension Center in Blue Springs, Mo.

This workshop will focus on the importance of music development for children, simple explanations of left and right brain functions demonstrate why music is so functional in the education of a child making it easy for non-musically trained educators. Participants will have better understanding of the power of music as a teaching tool for social, developmental, gross and fine motor and language skills.

The registration fee is \$18 per person; participants will receive 2 clock hours after completion of the workshop. 0.2 CEUs (Continued Education Units) are available. Register in advance by contacting MU Extension at (816) 252-5051.
