Garren’s Blurb

It is that time of year again! Leaves have flown, grass has yellowed, and skies have greyed. This part of our winter season is the easiest time to let ourselves get comfortable. Why would we go outside when we can stay right on the couch, throw a couple blankets around our shoulders, and watch our favorite Netflix show. (My personal favorite is Longmire). If your preference is to stay indoors and pretend that cold weather doesn’t exist, find an opportunity to bring your family together. Those nasty winter days are the perfect time to do a puzzle with your kids, teach your son how to bake cookies, or teach your daughter how to tighten that noisy fan! Don’t let these mid-winter elements stop you from growing closer with each other. Have a great February and Happy Valentines Day!

Dear 4-H Families,

During the month of February we will observe President’s Day, a day set aside to honor two very great men in our nation’s history, George Washington and Abraham Lincoln. Each of these men had to make very difficult decisions while they served their country. Some of the decisions they made were not popular with some people, but they did what they thought was best for our country. They were good leaders. In appreciation and in memory of what they did for our country, we honor them and respect them.

Respect is of great importance in everyday life. As children we are taught to respect our parents, teachers, and elders, school rules and traffic laws, family and cultural traditions, other people's feelings and rights, our country's flag and leaders, the truth and people's differing opinions. We come to value respect for such things; when we get older, we may shake our heads at people who seem not to have learned to respect them. We develop great respect for people we consider exemplary and lose respect for those we discover to be untrustworthy. We may try to respect only those who are truly worthy of our respect. We may also come to believe that, at some level, all people are worthy of respect.

Calls to respect this or that are increasingly part of public life: environmentalists exhort us to respect nature, opponents of abortion and capital punishment
encourage respect for human life, members of racial and ethnic minorities and those discriminated against because of their
gender, sexual orientation, age, religious beliefs, or economic status, demand respect both as social and moral equals and
for their cultural differences. It is also widely acknowledged that public debates about such demands should take place
under terms of mutual respect. We learn that we should respect the things that deserve to be respected and the rights and
feelings of others as well as ourselves.

We have to learn to respect ourselves. The value of self-respect may be something we take for granted. Some people find
that finally being able to respect themselves is what matters most about getting off welfare, kicking a disgusting habit, or
defending something they value; others, sadly, discover that life is not worth living if self-respect is irretrievably lost.
Respect and self-respect are deeply connected; it is difficult if not impossible to respect others if we don't respect
ourselves and to respect ourselves if others don't respect us.

In 4-H, members have many opportunities to learn respect. Our meetings start with the pledge to the American Flag and
the 4-H pledge. In the Pledge of Allegiance they learn respect for their country and in the 4-H pledge they learn respect for
others and themselves. Through participation in 4-H leadership events, project completions and club meetings, members
develop self confidence, poise, and pride; as well as a respect for others. With the guidance and encouragement of caring
adults, 4-H members learn to respect each other through healthy competition and leadership activities.

Have a great February!

Changes Made — Trip Reimbursements

The 4-H Parents’ Association has had to make some very tough decisions regarding trip reimbursements. The funds that are used to pay for these trips have dwindled substantially.

So starting January 1 changes will be implemented.

As an FYI we receive $500 a month from the Carthage Area United Way. The concession stand at the fair averages between $2,500—$3,000. These funds are used for trip reimbursements, year-end awards, member banquet meals, JCYF award sponsor, JCYF t-shirts, Weights Work Wonders project, as well as general expenses.

Welcome new families

With the new 4-H year, we welcome many new families to the Jasper County 4-H program. As a veteran family you may remember the first few years of 4-H being confusing. Please welcome new members into your club and help them to become involved in club, county, and state activities.

You get out of 4-H what you put into it!

If you are a new family in the Jasper County 4-H program, your club leader will have a new family (or new volunteer) packet for you with a copy of the Jasper County 4-H handbook as well as other materials.

If you have questions that need answered, or just need some direction, please don’t hesitate to call the office at 417-358-2158.

Policies for 4-H organizations

Did you know that our 4-H Clover has the same prestige and protection as the Presidential Seal or the Olympic Symbol? All of us care deeply about 4-H programs and young people. As “keepers of the clover,” we are responsible for ensuring that all aspects of the 4-H program are of the highest quality and in accordance with approved 4-H policies.

Good financial management is an important aspect of our responsibility to 4-H. Since 1998, the required financial policies for any Missouri 4-H organization (clubs, county councils, committees and other groups that use the 4-H name) have been laid out in the publication [Missouri 4-H Treasurer’s Record Book Y672](http://www.4h.missouri.edu/forms.aspx).

All entities (clubs, councils, committees) that use the 4-H name MUST use this record book and meet or exceed the policies outlined in this publication.

IMPORTANT please read!

Members, if you are still showing pending in 4-H online it may be that we have not received your member dues.

If you paid your club leader, please verify with her that dues have been submitted to the office.

Until you are active in the system, you will not show up on any project report for project leaders. Which means meetings may be held without you.

4-H Club reports

One of your duties as a reporter is to take notes at each meeting and prepare a report for the county 4-H office. Please send your club news to the 4-H office by the last day of the month so that it may be published in the 4-H News & Notes. You can drop your report off at the extension office; send by mail to: Jasper County 4-H, Courthouse Basement, Carthage MO 64836; or by email to jasperco@missouri.edu.

***NEW*** Club Reports – We have been asked by the state to keep track of the attendance at our county club meetings so we can more accurately report our contacts with 4-H members. We hope that this will not be an overwhelming task, so all that is being asked is to include an attendance report in your monthly club report. If you don’t have a monthly club report for the News and Notes we ask that you submit an attendance report every quarter. If you have any questions please call the office.

4-H Feeding Missouri statewide food drive

The goal of 4-H Feeding Missouri is to raise one million meals the month of February in a first-of-its-kind statewide food drive, and every 4-H club in the state can contribute to its success!
