

Jefferson County 4-H Project Report Application 2008-2009

Instructions

1. Submit one application form for each project notebook.
2. The same form for youth ages 8-18
3. All information on this form is specific to this project only.
4. This form may be hand written or typed.
5. Try to use complete sentences and give as much description about your project as possible.
6. You may include pictures, ribbons and other awards.
7. Applications are due by **September 25, 2009 4:30 pm** to the Extension Office.
Mail: PO Box 497, Hillsboro, MO 63050 or Drop Box: 301 3rd Street Hillsboro, MO

Name:	Club:
Project Name and Code: (Please use full project name and code according to the clover)	
Years in this project:	AGE: (As of January 1, 2009)

1. List up to five goals for your participation in this project. These are goals that are measurable. (Example: I hope to learn how to care for and purchase food for my rabbit.) (10 points)

No.	Goal
1	
2	
3	
4	
5	

2. Did you meet your project goals? Please explain how. (10 Points)

3. Project-Related learning activities: (10pts)

Check if you:

- Gave a demonstration / illustrated talk for this project at a club meeting.
- Gave a demonstration / illustrated talk for this project at a county event
- Gave a demonstration / illustrated talk for this project at a state event
- Led this project in your club
- Exhibited or showed an item for this project at county fair
- Exhibited or showed an item for this project at any other fair or event
- Had an exhibit qualify for state fair

4. Project Activities: Complete the following about your project (20pts)

a) Please list some of the project activities that you participated in, and some of the things that you learned from being involved with these activities.

b) Please tell us why you enjoyed participating in this project?

c) What things did you try that did not work? If you learned how to overcome some problems while participating in this project, please share what you learned. (Example: I kept my rabbit in a cage on the ground, and he dug tunnels and escaped from his cage. I finally decided that to keep him in a cage that had a bottom in it.)

d) How will you apply what you have learned in this project to other areas of your life?

e) List any suggestions that you might have for making this a better project.

5. Project Story (add one half to one page): Please attach a project story, or design your report folder so that it portrays a story using basic sentences and pictures or photographs. Use this story to share about some of your favorite memories, events or successes as you spent this past year studying and working on your project. Include as much supporting material as you want. Older 4-H members are encouraged to do both, and include as much detail about their experiences as possible. (40 pts)

6. Competitions (add up to one page): If you competed for any awards in this project area share some information about the situation and any awards earned. (If you didn't compete for any awards, write a sentence or two stating why you chose not to compete.) Example: I did a speech during Achievement Night titled, "How to Care for Newborn Rabbits." I earned a blue ribbon for this speech. I also entered one of my rabbits in the State Fair judging competition. My rabbit took 2nd place. (10 pts)

7. Missouri Project Record Form (Optional): This form can be provided by the Extension office, your club leader or on the web site: <http://mo4h.missouri.edu> (up to 20pts)

I am a member in good standing. I have met all of the rules for completing the 4-H year.

Member Signature _____ Date _____
